FEATURED WINE.

2008 RESERVE PINOT NOIR, RUSSIAN RIVER VALLEY

The Russian River Valley is well established as one of the premier pinot noir growing regions in the world.

Rodney Strong has been growing and making pinot noir there for over 40 years. Their Reserve comes from some of the very best vineyards in the Russian River Valley. It is aged in their finest barrels and selected by the winemaker for complexity, concentration and grace.

Soft and rich, with layers of red cherry, raspberry, cola, caramel and a hint of Asian spice, this impressive, deeply colored and full-bodied wine is aged in 100% French oak, which adds an elegant toasty vanilla character. ENJOY THIS VOLUPTUOUS PINOT NOIR NOW AND OVER THE NEXT 3 TO 5 YEARS.

SPECIAL MEMBER OFFER FOR SEPTEMBER AND OCTOBER

BEACH BODY TREATMENTS.

BEACH ISN'T JUST IN THE NAME. A day at the beach can take a lot out of your body. Sand and sun cause free radical damage, dehydration and fatigue. While your tanned glow may look great, your skin and body are crying for a real vacation. Used appropriately, ocean elements such as seaweed and salts can hydrate, nourish and rebuild your defenses, so you have a natural, healthy glow with tone and detoxed skin. The following services are being offered to members at a special rate through October 31.

THALASSO BATH OR OCEAN DETOX BATH –

25 minutes / reg \$55, member special \$40

BEACH BODY – 90 minutes / reg \$175, member special \$130

OCEAN BODY CONTOUR – 3 hours / reg \$300, member special \$225

CALORIE CUTTER FITNESS TIP.

FROM TRAINER ANDRE LARRY

In the constant fight to transition to healthier eating, when you find it particularly tough to change your eating habits, eat the same foods, but less. When you know you are eating a calorie-heavy meal, simply eat half of it and save the other half for another meal. You have quite possibly turned a 1200-calorie meal into a much more body-friendly 600-calorie meal.

MEMBER SPOTLIGHT: DIANE SBORLINI.

AFTER LIVING IN BOSTON FOR 18 YEARS, DIANE SBORLINI MOVED TO CENTRALLY LOCATED DALLAS IN 2002. As a National Sales Manager at ConAgra, relocating to Dallas helped Diane alleviate some of the miles she was putting on crisscrossing the country. Diane is good friends with many of the members and loves to hang with them whether working out, attending a member event, or wining and dining with them. Some of Diane's favorite activities are travel, golf and swimming.

Diane's decision to join The Spa was initially based on its proximity to her home, the equipment and classes that align with her

schedule, health objectives and workout preferences. She's happy to report that the warm welcome and support she constantly receives from Marsha, Rebecca, Andre, Steve and Mary, to name a few, is a refreshing benefit as well.

Diane enjoys the class options and the "20 Minute Incline Treadmill" that has become her personal nemesis. She says it's worth the fight because it delivers great results. Diane considers her visits to The Spa "like a mini vacation that makes a long week on the road worth the return trip home."

"Thanks to all of the staff who always make my day with a smile, great attitude and an apple."

WELCOME.
